The British Museum Pocket Dictionary Ancient Egyptian Mummies (Hardback)

By Nigel Strudwick

BRITISH MUSEUM PRESS, United Kingdom, 2004. Hardback. Book Condition: New. 188 x 156 mm. Language: N/A. Brand New Book. This attractively designed and colourfully illustrated book offers a brief overview of the history of Egyptian mummification. With clear pictures and short, informative text entries, the book describes a range of Egyptian mummies, from early people whose bodies were accidentally dried out in the desert sand, to the amazing mummies of the New Kingdom, whose every fingernail and hair has been perfectly preserved. Last of all come the mummies of Roman Egypt, with their beautiful and realistically detailed portrait masks. The book also shows the range of coffins, masks and grave goods which were found with these mummies, and builds up a fascinating picture of mummification in ancient Egypt. Published to accompany Mummy: the inside story, a major exhibition at the British Museum which uses the latest electronic scanning techniques to uncover the secrets of a mummy called Nesperennub.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and he suggested this ebook to discover.
