By Kelly S. Buckley

And, sometimes, it is not only the rug that has been removed; the whole darn floor has disappeared too. Just One Little Thing is about one of those life-changing groundless moments. The story begins on the 4th of July, when a phone call changes everything in Kelly Buckley's life. Devastated by the unexpected death of her son Stephen, Kelly started to journal about what goodness still remained in her life in the hopes of finding just one little thing to make it through the day. Gratitude changed everything. By focusing on the blessings found moment by moment, she was able to allow herself to grieve with an open heart, and accept all the wisdom that comes from life's difficulties.
