A box of crayons will motivate them to produce drawings. Budding artists work usually starts as scribbles and gradually advances to stick figures and beyond. Coloring books are pages of pre-drawn outlines of pictures that children fill in with various colors, using crayons, markers, colored pencils or paints. They are not only fun, but they also provide benefits to children who use them. While using coloring books, youngsters learn to properly hold a writing instrument; concentrate and follow directions; practice hand-eye coordination; recognize colors and shapes and enhance their creativity.
