Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

WAY AHEAD READER: 2B: I LIKE SHOPPING!

Macmillan Education. Paperback. Book Condition: new. BRAND NEW, Way ahead Reader: 2B: I Like Shopping!, Keith Ganes, This text is part of the "Way Ahead Readers" language scheme. There are two readers at each level, and these are carefully graded to ensure that children not only practice reading at an appropriate level of difficulty, but also gain confidence in approaching new texts. Linguistic structures have been tightly controlled to match the language in the course, and at the same time, known vocabulary is both reinforced and extended. All the texts contain additional activities for class or individual use.
