Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

HOW TO BE A GIRL

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, How to be a Girl, Anita Naik, Be the boss of you! How To Be A Girl is an easy-reading journey through girlhood and what it's like to be a girl growing up today. It examines important issues such as puberty, the politics of body hair, female stereotypes, intelligence, physical appearance, double standards and the vernacular used to describe girls and boys. It also looks at the objectification of women and sexualisation of girls by the media. How to Be A Girl is a modern feminist book for today's tweens and teens. It's a call for girls to stop beating themselves up by aiming for a so-called 'beauty ideal', to stop worrying and to start living their lives according to their own agenda. Confidence building and self esteem boosting - How To Be A Girl is not a diatribe on gender differences but a consciousness-raising, articulate and cool walk-through of what it is to be a strong and empowered young girl today. Contains sections on: body image, dieting & eating disorders, media portrayal, plastic/cosmetic surgery, body hair, online porn, dating, self esteem & confidence, discrimination, sexual harassment and empowerment. Be the change.
