Pius Power Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Foreseen Awakening - Carrie is mixed with nearly every nationality that has made her genetically unique and empowered her with incredible psychic gifts. Only discovering the full extent of her power and abilities, Carrie now embarks on incredible adventures, with paranormal events and time travel, to make discoveries of important, unknown information from the past. She will find forgotten, unknown civilisations, buried treasures, decipher messages, learn of past UFO s and learn a respect and understanding of different cultures. As Carrie begins her ventures, she crosses paths with her long lost soul mate, who communicates with her telepathically from a great distance. Their powerful connection is where these intriguing adventures begin. The paranormal links of this story that have revealed themselves as true will amaze you. Combined with the soul of notebook, magic of fairytale sleeping beauty and adventures of raiders of the lost ark; this tale will open your mind to your own hidden potential and the intrigue of what could really be. This story will make you sit up and think. Characters have miraculously come to life as has the story originally written and characters created and painted back in 2000. What has recently occurred has made the author resurrect her story and share in her revelations, exciting finds and predictions and the connected 17 characters that have materialized and revealed themselves. Time and place has no relativity and her dreams have come true. The ongoing miraculous links are being continued in the next story as part of the first Trilogy series Foreseen Awakening and these will excite and astound you to what could really be. The connections to different people and places in...
