Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

(Tessie Gutmann)

FRENCH KEY WORDS AND EXPRESSIONS: THE COMBINED BOOK

Wheatmark. Paperback. Book Condition: New. Paperback. 292 pages. Product Description This book, and the two books which it combines, *Speaking Better French, The Key Words and Expressions You'll Need Every Day* and *Speaking Better French, More Key Words and Expressions*, have been hailed by reviewers as a unique and innovative idea. They give you the absolutely essential words that you need to navigate everyday French conversation. Not the textbook formal words but the expressions that real people in France use when they talk to each other, the glue that holds conversations together. You'll learn when to use, and when not to use words and expressions like *truc*, *foutu*, *Oh-la-la*, *Coucou*, *payer en liquide*, and *merde*. You'll learn how to *faire un bise* *quelqu'un*, how to say you are sorry, how to say *Dont worry about it!*, what *les grandes surfaces* are, and how to tell someone to shut up. You'll learn what a *goter* is, and an *apritif dnatoire*. You'll find out that *Ce sale chat !* doesn't mean the cat is dirty, that *passer an exam* doesn't mean to pass the exam, and lots, lots more. And it's all written in a conversational style with each word or expression explained and illustrated by examples of its use in French with translations into English. You'll see why a reviewer of *Key Words and Expressions* on [amazon.com](https://www.amazon.com) said: *If you really want to learn spoken French, you need this book. You'll need other books as well, you'll need audio materials, and you'll need live language experience, preferably in France. But this book is a necessity. And why another wrote: Perhaps the most amazing thing about this book is that it took until 2007 for anyone to think of writing it! The author's insight is right on target. This book does indeed...*
