ARE Press. Paperback. Book Condition: new. BRAND NEW, Edgar Cayce and the Kabbalah: A Resource for Soulful Living, John Van Auken, John Van Auken combines his love of Kabbalah with his 40 years of studying the psychic readings of world-famous seer Edgar Cayce to take us on a mind-expanding journey through creation and the higher levels of our consciousness. Van Aukens easy writing style helps to shed light on the most complicated concepts in Kabbalah, making it easier to grasp the five divisions of our being, the four planes of existence, the seven heavens, the ten emanations, and the twenty-two channels of the Infinite Creative Consciousness. We also learn how to expand our minds to perceive these realms, to journey through them, and, to remain sane, healthy, and active in our present life. Van Auken brings in insights from Buddhism, Hinduism, Taoism, and even ancient Egyptian theology, and includes Gnosticism and Neo-Platonism in this multi-dimensional vista. A reading journey into Edgar Cayce and the Kabbalah offers you a personal road map to higher consciousness and a happier, more fulfilling life!.
